Uniform Policy

UPDATED: June 2024

Uniforms give a unified look throughout FACA. FACA desires that our students live and conduct themselves in a manner that will be pleasing to God and will glorify the name of our Savior, Jesus Christ.

Standards for appearance are a means of building character and distinction in the lives of our students. The dress code of FACA is one of the first, and most tangible, rules to which an entering student must respond. The school frowns upon extreme fads of any nature. The school administration reserves the right to initiate policies on new fads and changes in style throughout the school year. Students are expected to abide by dress regulations at all school functions.

The administration and teachers of FACA will maintain and enforce the dress code from when a student arrives until the student leaves. If a student is out of the dress code, their parents or legal guardian will be called, and the student will be sent home to make any needed alterations.

If the student can't go home to change, she/he may be held out of class for the remainder of the day. The student's grade for each class will reflect his/her absence.

To avoid any problem with uniforms, we ask parents to monitor student's dress before they leave home.
